## Less Bleak Black Friday

What you should *really* be thankful for is this list of shopping-adjacent bars to hang in while the lady in your life hunts for deals

### In Ballard: King's Hardware

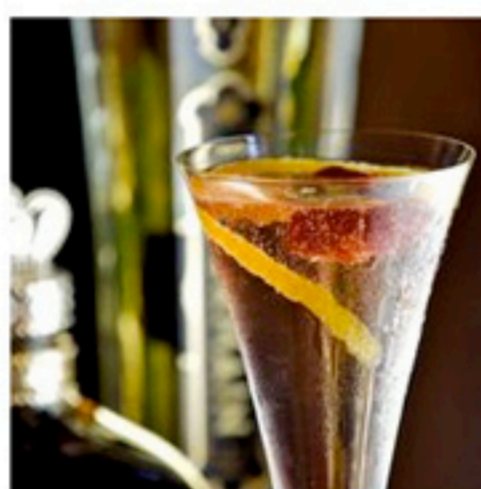

While your girlfriend's at Romanza looking for the *exact* candle that Ellen DeGeneres scored from the shop to give Kristen Stewart before she went on the show (Ahhhh!!!), you should head to this heavily taxidermy'd boozier where they've got seriously [sweet deals](#) of their own on Oly and 14 other drafts, 15 burger options (like the peanut butter/bacon-based After School Special), plus hot wings, onion rings, and other "sidekicks".

### Downtown: Oliver's Lounge

This unironically *old-school* swillery in the Mayflower Park's been plying people with booze long enough for the '70s-style flared jeans the GF's shopping for to inexplicably come back into style, and specializes in classic 'tails like the rye whiskey/bitters/absinthe Sazerac, a simple list of bar eats, and, during happy hour, a badass range of complimentary snacks that'll hopefully help you think of something to say when she asks how you like her new jeans.

[If you can't find something you like, here, you can also order eats from the consistently awesome Andaluca, next door](#)

## Smell Very, Very Nice: Eau de Lacoste L.12.12

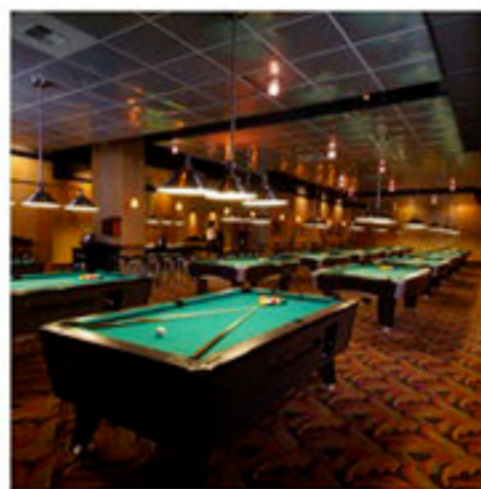

**EAU DE LACOSTE L.12.12**  
THE LACOSTE POLOSHIRT IN A FRAGRANCE COLLECTION

[Up your level of "Wow, I smell good today" with Lacoste's first-ever male fragrance collection, inspired by Rene Lacoste's iconic shirt. The fragrance comes in three scents: Blanc \(pure, crisp\), Bleu \(aquatic, powerful\), and Vert, a casual, relaxed formula that contains notes of violet leaf, fig, and thyme - - so finally, the ladies will give you the thyme of day.](#)

### In Bellevue: The Parlor Billiards & Spirits

While the light of your life's shopping at Eileen Fisher for...whatever they sell at Eileen Fisher, take the sky bridge to this Lincoln Center pool hall/comedy club for a snack from their massive and varied menu (pasta, burgers, pizza, etc.), a round of nine-ball & cocktails, then stay for tonight's Tom Green performance (seriously!) unless said cocktails end up putting you on your Bum.

### In The U-District: Duchess Tavern

While she's scouring the U-Village's two Banana Republics for tin-pot-dietators she can prep up at the expense of democratic reform, though in exchange for oil and mineral rights stylish, flat-front khakis, grab a few \$2.25 Rainiers or PBRs, and some almost-guaranteed-to-be-fried food at this dive-y institution so decked with Dawg memorabilia, Randy Jackson *must* be a partial owner.

### JackThreads: Wilouby Flasks

Unspeakably bored in the unmentionables section while your girlfriend gets her panties by the bunch? Well, bra, next time be better prepared thanks to *our* bros, who've lined up a massive collection of sneaky inebriation instruments that come swaddled in ostrich leather, shaped like gas tanks, and even with built-in cigar holders.
