ROSEBAY

WHERE SEATTLE SOPHISTICATION MEETS PACIFIC NORTHWEST CHARM

Rosebay offers high-quality craft cocktails, local beer, and wine in a sophisticated setting with a large bar, central fireplace, and mixed seating. Master Mixologist Lindsay Matteson's menu includes fresh and seasonal cocktails as well as classics. Using locally-sourced, small batch brands, infused with elements of fire, smoke, and pine, our cocktail recipes, herbs, and garnishes draw inspiration from the natural surroundings of the Pacific Northwest. The shareable plates cater to groups of friends and solo travelers, featuring hyper local ingredients for a delicate balance of contrasting flavors; combining salty and sweet, creamy and acidic. The design of the space pays homage to Seattle's ethereal beauty and the state flower, the native Rhododendron, Rosebay.
